ENHANCEMENTS

ID	Area	Description	Comment
DARK-152	Navigation / UX	Active flag set to 0 only for the top level object moved to bin	You can now browse the content of the trash bin.
DARK-153	Search	Include trash content in search results	it is an option. After doing a search you can include the results of the trash that match.
DARK-186	Navigation / UX	Open satellite apps in a new tab	Open user management, dico management in a new tab.
DARK-215	Navigation / UX	Expand tree view while opening the application	When connecting to the application, the tree is now expanded.
DARK-161	UX	Audit client side actions	The application is now able to keep track of action performed on the client side for audit or statistic purpose

BUG FIXES

ID	Area	Description	Comment
DARK-187	Navigation / UX	Bulk fixing in configuration and error messages	[OBDR-47] Plural of metadata is metadata not metadatas [OBDR-55] Capitalization is not correct [OBDR-44] Change error message with "append"
DARK-185	Search	Strange error on autocomplete with commas	[OBDR-56]
DARK-169	Search	Wrong type conversion between search engine and data base preventing correct indexation	
DARK-191	Navigation / UX	Platform details - inappropriate aggregation result	[OBDR-70]
